

**PARLIAMENT PANTHERS VOLUNTEER FORM**  
**2018 Swim and Dive Team**

Swim and Dive is open to all children ages 18 and under. Throughout the season competitive “A” Swim Meets are held on Saturdays and developmental “B” Swim meets are held on Monday evenings. Dive Dual Meets are held on Tuesday evenings. Children 8 and under who are still developing their swimming skills are welcome to participate in Mini Panthers. Mini Panthers will have the opportunity to participate in Home “B” Meets.

**Mini Panthers**

Mini-Panthers are swim team members who are still working towards swimming a full 25 meter length at the beginning of the season. The Mini-Panther program is for stroke development. As the child develops their skills they will be moved to the 8 and under full lane practice. Mini Panthers should be able to swim across the shallow end of the pool without floatation devices and without standing. We will evaluate all children during the first week to determine whether any child would benefit from further swim lessons before joining the Mini Panthers. You are welcome to bring your child to practice for the first week before registering them if you are unsure whether it is a good fit. **\*\*PLEASE note the one week trial option is for MINI-PANTHERS ONLY!!!!!!\*\***

It takes 36 parent volunteers to run a Home swim meet and 16 parent volunteers for an Away swim meet. It takes 10 parent volunteers to run a Home dive meet and 5 parent volunteers for an Away meet. We have 14 swim meets and 9 dive meets where volunteers are needed. We need your help! Each family is expected to volunteer to work at least 6 swim meets or 3 dive meets (or both if your children are on both swim and dive teams.)

A \$100 Volunteer Fee is due at the time of registration. This will be returned at the end of the season after an adult family member (or approved older child) has worked at least 6 swim meets/3 dive meets. At least two meets must be worked in concessions unless a member of your family is filling a major position for which training is required (starter, referee, etc.).

A brief description of the duties and responsibilities are available on the team website. If you have questions about any of these positions, please call the team representatives. We’re here to help!

I understand that if my volunteer responsibilities are not fulfilled, my \$100 volunteer deposit will not be returned and cashed at the end of the season. Make Volunteer checks payable to “Parliament Panthers”
