A MESSAGE FROM THE PRESIDENT

Believe it or not, we're only 3 months away from opening?!? With all the extremely cold weather, the pool looks more like an ice rink than a swimming pool currently, but maybe that'll bring some early warmth to the summer season. Mark your calendars for *Meet the Coaches* and *Polar Plunge* on May 17. Thank you to those that have already bought their memberships, it's helping to pay off our **NEW WHITE COAT**. You're going to start hearing more frequently from the board as we get focused on summer prep so please watch the social feeds and email for updates and opportunities to help. As always, if you have any suggestions or questions please feel free to reach out directly to me - parliamentpoolpresident@gmail.com

MAINTENANCE UPDATE

Your pool board has been keeping busy this off-season to make sure Parliament Pool is ready to shine by Memorial Day. Last year, the maintenance board gave our lounge chairs some well-deserved attention. Every piece of furniture was power washed and cleaned up, and many received brand-new straps to freshen them up and keep them in service for years to come.

We still have several items on our list to complete before opening day, and we'll continue to share updates as the season approaches.

Please plan to join us for volunteer maintenance clean-up days at 9am on **March 21st, April 18th, and May 16th**, as we prepare the pool and grounds ahead of our Memorial Day opening. Extra hands make a big difference, and we appreciate everyone who can help out.

MEMBERSHIP UPDATES

The Parliament Pool board was thrilled to be able to offer only a minimal (\$25) increase in annual dues across all memberships for 2026, while continuing to provide huge infrastructure improvements at everyone's favorite local summer hangout. In the last few years, we've installed a new pump, refreshed the kitchen, installed a new playground, and just this off season we were able to install a new white coat. These investments ensure our beloved pool will be around for at least another 60 years, if not longer! We can't wait for you to renew (or join!) Parliament Pool and see all we have to offer. When you do the math, you can't afford not to pay your dues! Have any membership questions? Reach out to Charlotte at MembershipParliamentPool@gmail.com. Remember that our referral incentive is ongoing! Any current member who recruits a new member (either Full or Associate, and not a current member of the pool) to join will receive a **\$50 account credit**. The new member will receive 10 guest passes. Fill out [this form](#) to apply!

CALLING ALL LIFEGUARDS!

If you or a family member was a lifeguard last season, please check your email for an update from our Operations Chair, Joe Nielsen. If you know someone that might want to be a lifeguard this season please send a message to Joe at operationsparliamentpool@gmail.com. Lifeguards need to be at least 15 and require a certification. You can find courses offered by the [American Red Cross here](#). The pool has a history of only employing neighborhood young adults and we want to keep it that way so please consider becoming a lifeguard!
